

### WHO WE ARE AND WHAT WE DO

The Association of Naval Aviation's (ANA) members from the Boston area established the Patriot Squadron in 1992. Their mutual interest was in preserving the legacy of Naval Air Stations (NAS) Squantum and South Weymouth. The ANA ([www.anahq.org](http://www.anahq.org)) is a national advocacy group for aviation forces in the United States Navy, Marine Corps, and Coast Guard.

**Shea Memorial Grove** is on SouthField and is maintained by Patriot Squadron. Built by Seabees, it was dedicated on Veteran's Day, 1997. It honors Cdr. John J. Shea and the thirty-two Medal of Honor recipients, Civil War to the present, from the Norfolk and Plymouth counties. Cdr. "Jack" Shea, the dynamic and popular executive officer at NAS Squantum in the 1930's was killed in action when the aircraft carrier, U.S.S. Wasp, was sunk off the Solomon Islands in 1942. There is a tree and marker for each Medal of Honor recipient remembered in the Grove. In addition, there are memorial park benches and a Douglas A4B Skyhawk that was based at NAS South Weymouth and flown by Navy and Marine Corps reservists during the 1960's.
